Each Orbital Truss Extreme kit has been carefully designed and developed to be stable and safe. Consult with your dealer for load bearing specifications. The manufacturers of Orbital Expo Truss Extreme will not be held responsible or accountable for damage or injury caused by exceeding guidelines or though wrongful/incorrect use of the system. NOTE: S = Brushed Silver Finish, WD = American Natural Wood Finish.

**Kits will come with choice of lights except for Lumina 2.**

# Graphic Specs & Art Guidelines: Arcturus, 10' x 20' Kit Size

**IMPORTANT INFORMATION REGARDING GRAPHIC FILES:** Each graphic has a specific code or number located on the graphic. The electronic print ready files provided must be named accordingly. Using this coding system will allow us to preflight and prepare your files for print more efficiently. **If you fail to provide your graphic files in this format, additional charges may be necessary to complete your printed materials.**
